banana

Made with 100% Coconut Oil

Take your mouth for a flavor hike with plantains covered in pink salt from ancient ocean deposits inside the Himalayan mountains. With 84 trace minerals and complex deliciousness, they'll have ordinary chips feeling salty with envy. What is it about plantain chips? Don't ask questions, just eat them. One bite and you'll see they're everything you love about regular chips but better, crunchier and tastier.

Barnana was launched in 2012 with a mission to create irresistible banana-based snacks by eliminating food waste on organic banana farms in Latin America. Made from upcycled bananas deemed too "imperfect" for consumers, Barnana Bites are partially dehydrated bananas based on a family recipe that leaves just the right amount of moisture inside to create a healthy and satisfying snack.
