OUR INGREDIENTS

Each bar begins with four simple ingredients; ones that you can find in your own kitchen cabinet. After all, that's where we originally got them when Bobo and her mom made their very first batch!

We start with 100% organic whole grain oats, which are at the heart of everything we bake. We know you're busy, and our oats are perfect for keeping you energized throughout the day.

Contact your sales representative for more information or call us today!
